

15th ANNUAL CAPITOL GUN RIGHTS RALLY

NEW ANTI-GUN TACTICS ARE WORKING

Anti-gunners are successfully using lawsuits against gun ranges to prevent us from training, practicing, and holding shooting events by vastly limiting hours of operation or closing down ranges outright.

YOU CAN HELP STOP IT.

TWO HOURS CAN MAKE A DIFFERENCE IN THE BATTLE TO SAVE OUR RANGES.

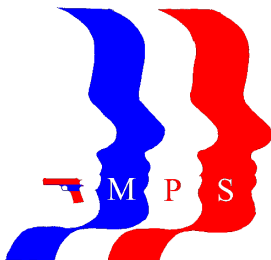

A strong Rally will show how many are passionate about this issue and encourage Legislators to pass a *Range Protection Law* this year. BE THERE! Bring others. Tell your family, friends, neighbors, co-workers:

WE NEED YOU AT THE RALLY

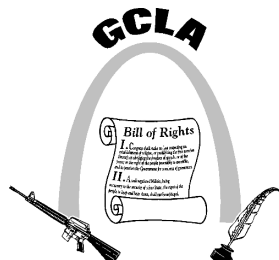

APRIL 29, 2008 – TUESDAY – 10 A.M. TO NOON
State Capitol – 1st Floor Rotunda – Jefferson City

JOIN US! HEAR HOW LONG-ESTABLISHED RANGES ARE AT RISK NOW. IS YOURS NEXT?
